Supervision: Based on observations on 1/8/19 children were not under supervision at all times as on 1/8/19 while the Specialist were attempting to enter the building they viewed a classroom with no staff person present. Upon Specialist completing the walk through of the center the Specialist identified that S5 was the teacher responsible for the class. When the Specialist asked S5 where she was when the children were asleep in the room alone. S5 stated that she was in the S2's office and that another staff was inside of her classroom. Specialist informed S5 that there was no one present in the room other than the children. S5 did not respond after she was informed that two Specialist identified that there was no staff in the room.
