

Statement of Deficiencies

1509.A.9.: Electronic Devices Policy

Not Met

1509.A.9.: Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, shall adhere to the following limitations:

- a. electronic device activities for children under age two are prohibited; and
- b. time allowed for electronic device activities for children ages two and above shall not exceed two hours per day, with the exception that television, DVD, or video viewing shall be limited to no more than one hour per day;

Finding:

1509.A.9. Based on record review: There was no documentation of an electronics devices policy that prohibited children under the age of 2 using electronic devices and limiting the use of electronic devices to two hours per day for children over the age of 2.

1509.A.10.: Computer Practices Policy

Not Met

1509.A.10.: Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

Finding:

1509.A.10. Based on record review:

There was no documentation of a written Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

1509.A.11.: Programs, Movies and Video Games Policy

Not Met

1509.A.11.: Programs, Movies and Video Games Policy

- a. Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.
- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
 - i. "E10+" rated games shall be permitted for children ages 10 years and older.
 - ii. "T" and "M" rated games are prohibited.

Finding:

1509.A.11. Based on record review: There was no documentation of a Programs, Movies and Video Games Policy requiring: Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children. All television, video, DVD, or other programming shall be suitable for the youngest child present. PG programming or its television equivalent shall not be shown to children under age 5. PG programming shall only be viewed by children age 5 and above and shall require written parental authorization. Any programming with a rating more restrictive than PG is prohibited. All video games shall be suitable for the youngest child with access to the games. E10+ rated games shall be permitted for children ages 10 years and older. T and M rated games are prohibited.

1807.C.: CCCBC-Based Determinations of Eligibility for Visitors and Contractors

Not Met

1807.C.: C. An early learning center shall obtain a CCCBC-based determination of eligibility for child care purposes from the department for each visitor or independent contractor of any kind, and shall have documentation of said determination available at all times for inspection upon request by the licensing division, unless the visitor or independent contractor, other than therapeutic professionals as defined in §103, will be accompanied at all times while at the center when children are present, by an adult staff member who is not being counted in child-to-staff ratios. The center shall have documentation of said determination of eligibility, or documentation of the accompanying staff member, available at all times for inspection upon request by the Licensing Division.

Finding:

1807.C. Based on record review: A CCCBC-based determination of eligibility for child care purposes from the department was not obtained for each independent contractor prior to the person being present at the center or performing services as evidence by: according to the visitor's log, O1 visited the center on 10/3/18, 9/25/18 and 9/18/18. The center did not have a CCCBC-based determinations of eligibility for O1. The Center did not have documentation of the paid, adult staff member not otherwise counted in child to staff ratios who accompanied O1 at all times while on the center premises.

Statement of Deficiencies

1915.A.: Health Services - Observation

Not Met

1915.A.: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915.A. Based on record review: There was no documentation of observations,when something is observed, noted on children upon arrival to the center. Results including an explanation from parent and/or child were not documented. The Specialist observed one child, C5, with a black eye. C5 is a three year old female. C5's daily observation was checked off as no marks, bruises, injuries noted. C5's teacher is S3 and S3 did say she spoke to the parent. According to S3, the parent said the child had visited a child's museum and the next day the parent noticed the black eye. The black eye observation was not documented.
