

## ***Statement of Deficiencies***

### **1907.E.2.: Cribs Free of Toys and Other Soft or Loose Bedding**

**Not Met**

1907.E.2.: Cribs shall be free of toys and other soft or loose bedding, including comforters, blankets, sheets, bumper pads, pillows, stuffed animals and wedges when the child is in the crib.

#### **Finding:**

**\*\*NEW\*\***1907.E.2. Based on observation, at approximately 10:18am, S4 failed to have a crib free of a loose blanket while a child (three months old) was in the crib. S1 and S4 stated that the parent placed the loose blanket in the crib with the child. Specialist observed S4 removing the loose blanket out of the crib at 10:19am.

Corrective Plan Action: S1 stated that there is a posting in the infant classroom that states no loose bedding is allowed in the cribs with any child. She stated that she will retrain S4 on safe sleep practices and she will let the parent know that loose bedding is not allowed in the cribs.
