

## Statement of Deficiencies

### 1723.A.&B.: CPR Certification - Infant/Child

**Not Met**

1723.A.&B.: A. Infant and child CPR. All staff members on the premises of a center and accessible to children shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. All staff members on the premises of a center and accessible to children shall have current certification in adult CPR through training approved by the department.

CPR Certification

#### Finding:

1723.A. Based on record review at 4:12 p.m., S1 failed to have documentation that all staff on the premises and accessible to the children, have current certification in infant and child CPR through training approved by the department. S8 stated S7 took the training in December 2022, however, a copy of the card is inaccessible at another center.

Corrective Action Plan: Effective 1/9/2023, S8 stated they will keep a copy of the training cards at the center at all times to ensure compliance with the regulation.

### 1723.C: Pediatric First Aid

**Not Met**

1723.C: C. All staff members on the premises of a center and accessible to children shall have current certification in pediatric first aid through training approved by the department.

#### Finding:

1723.C Based on record review at 4:12 p.m., S1 failed to have documentation that all staff on the premises and accessible to the children, have current certification in pediatric first aid through training approved by the department. S8 stated S7 took the training in December 2022, however, a copy of the card is inaccessible at another center.

Corrective Action Plan: Effective 1/9/2023, S8 stated they will keep a copy of the training cards at the center at all times to ensure compliance with the regulation.
