

Statement of Deficiencies

1723.A.&B.: CPR Certification - Infant/Child

Not Met

1723.A.&B.: A. Infant and child CPR. All staff members on the premises of a center and accessible to children shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. All staff members on the premises of a center and accessible to children shall have current certification in adult CPR through training approved by the department.
CPR Certification

Finding:

1723.A.&B: Based on observation/record review at 10 a.m., S1 failed to have documentation that all staff on the premises and accessible to the children have current certification in infant and child CPR through training approved by the department. S1 stated staff are scheduled to complete this training on 1/25/2023.

Corrective Action Plan: Effective 1/13/2023, S1 stated she will arrange for a standing scheduled monthly training for all staff to attend who do not have a current certification, to ensure compliance with this regulation.

1723.C: Pediatric First Aid

Not Met

1723.C: C. All staff members on the premises of a center and accessible to children shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C Based on observation/record review at 10 a.m., S1 failed to have documentation that all staff on the premises and accessible to the children have current certification in pediatric first aid through training approved by the department.

Corrective Action Plan: Effective 1/13/2023, S1 stated she will arrange for a standing scheduled monthly training for all staff to attend who do not have a current certification, to ensure compliance with this regulation.
