#### **Finding:**

1901.G.&H.:G. Based on observation at approximately 1:48pm, all of the center's equipment used by children was not maintained in good repair.

Specialist observed a merry-go-cycle missing 4 pedals of 10 pedals. S1 stated that the children do not play on the merry-go-cycle and that staff are normally positioned around it to prevent any children from playing on the merry-go-cycle.

Corrective Action Plan: S1 stated that the merry-go-cycle will be removed from the play yard (date unknown). However, she will be replacing the missing pedals with new ones until the merry-go-cycle can be removed.
