

## Statement of Deficiencies

### 1723.A.&B.: CPR Certification

Not Met

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

#### Finding:

1723.B: Based on record review at 1:30PM, S1 failed to have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, had current certification in infant and child CPR through training approved by the department. 1 of 3 staff had documentation of this certification. S1 was the only staff that had the current certification. S1 stated they will schedule a CPR class soon.

Corrective Action Plan: S1 stated she will make sure all staff have CPR in the future and is scheduling a class as soon as possible.

### 1723.C.: Pediatric First Aid

Not Met

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

#### Finding:

1723.C. Based on record review at 1:30PM, S1 failed to have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, had current certification in Pediatric First Aid through training approved by the department. 1 of 5 staff had documentation of this certification. S2 was the only staff that had the current certification. S1 stated they will schedule a PFA class soon.

Corrective Action Plan: S1 stated she will make sure all staff have PFA in the future and is scheduling a class as soon as possible.
