

Statement of Deficiencies

1503.A.-C.: General Liability Insurance Policy

Not Met

1503.A.-C.: A. A center shall maintain in force at all times current commercial liability insurance for the operation of the center to ensure medical coverage for children in the event of accident or injury.

B. A center is responsible for payment of medical expenses of a child injured while in the center's care.

C. Documentation of commercial liability insurance shall consist of the insurance policy or current binder that includes the name of the early learning center, physical address of the center, name of the insurance company, policy number, period of coverage and explanation of the coverage.

Finding:

1503.A.-C. Based on record review/interview(s):

At 12:30pm, S1 failed to provide required documentation of current commercial liability insurance for the operation of the center to ensure medical coverage for children in the event of accident or injury.

Corrective Action: S1 stated S7 would obtain documentation from insurance company.

1723.A.&B.: CPR Certification

Not Met

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

Finding:

1723. A.&B. Based on Record Review/ Interviews: At 11:30am, S1 failed to have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR through training approved by the department. 1 of 4 staff on center's premises had documentation of this certification.

Corrective Action: S1 stated CPR/First Aid training is scheduled for 2/1/2020.

1723.C.: Pediatric First Aid

Not Met

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C. Based on record review/interviews: At 11:00am, S1 failed to have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid through training approved by the department. 1 of 4 staff on center's premises had documentation of this certification.

Corrective Action: S1 stated CPR/First Aid training is scheduled for 2/1/2020.

1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on record review/interview(s):

At 11:00am, S1 failed to have at least two staff members trained in medication administration whether the early learning center administers medication or not.

Corrective Action: S1 stated the center has a Medication Training scheduled 2/1/2020 in which all staff will receive training.
