

Statement of Deficiencies

1725-A.-E.: Medication Management Training

Not Met

1725-A.-E.:

- A. Beginning July 1, 2016 - All staff members who administer medication shall have medication administration training.
- B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
- C. Such training shall be completed every two years with an approved Child Care Health Consultant.
- D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-E. Based on record review:

Staff persons, S1, S3, S4, S5, S8, S9, S10 and S11, administering medication did not have current documentation of training in medication administration completed with an approved Child Care Health Consultant.
