#### **Finding:**

1915.A. Based on record review at 12:10pm, S1 failed to have documentation of an explanation from the parent or child when an observation is observed upon a child's arrival to the center. There is no explanation for the following observations:

- On 9/8/2020, a child had red spots on his right wrist and a scratch on his right elbow.
- On 9/17/2020, a child had a scratch on nose, under nose, right cheek, and right leg.

Corrective Action Plan: Effective 1/26/2021, S1 stated she will send a memo out to all staff today reminding them to get an explanation from the parent or child upon arrival, or call the parent to get the explanation.
