

Statement of Deficiencies

1723.A.&B.: CPR Certification

Not Met

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

Finding:

1723.A.&B.: A. Based on record review at approximately 3:40pm S1 failed to ensure that at least fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, had current certification in infant and child CPR. Only 3 of the 8 staff present at 3:00pm had evidence of current certification as required. Note: S8 one of the 3 staff with current certification left premises for bus run at 3:03pm.

Corrective Action Plan: S1 states she will be sending at least 3 staff to the next scheduled training 2/8/2020. _____
