

Statement of Deficiencies

1503.A.-C.: General Liability Insurance Policy

Not Met

1503.A.-C.: A. A center shall maintain in force at all times current commercial liability insurance for the operation of the center to ensure medical coverage for children in the event of accident or injury.

B. A center is responsible for payment of medical expenses of a child injured while in the center's care.

C. Documentation of commercial liability insurance shall consist of the insurance policy or current binder that includes the name of the early learning center, physical address of the center, name of the insurance company, policy number, period of coverage and explanation of the coverage.

Finding:

1503.A.-C. Based on record review: The insurance policy on file did not include the appropriate explanation of the coverage to include the number of children covered equal to the center's licensed capacity. The center has a licensed capacity of 57 and the policy in force is for the coverage of 44 children (34 in building #1 and 10 for building #2).

1507.A.: Daily Attendance Records - Children

Not Met

1507.A.: A daily attendance record for children shall be maintained that shall:

1. include the child's first and last name, arrival and departure times, and first and last name of person or entity to whom the child is released;
2. accurately reflect children on the center premises at any given time; and
3. be used to sign in and out if a child leaves and returns to the center during the day.

Finding:

1507.A. Based on record review/observation: The center's daily attendance record for children did not accurately reflect the children on the child care premises at any given time as 32 children were present and 30 children were signed in on the log upon Specialist's arrival on 1/28/19 at 10:00 a.m.

1921.A.: Emergency Preparedness and Evacuation Planning

Not Met

1921.A.: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds, including food and formula;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921.A. Based on record review: S1 failed to conduct and document practice drills at least twice per year.
