1903.C.: Free of Hazards

Not Met

1903.C.: Indoor and outdoor areas shall be free of hazards.

Finding:

1903.C. Based on observations on 1/28/2019, the outdoor area was not free of hazards as Specialist observed on the center playground a green frog sandbox that was filled with standing water. The lid for the sandbox was laying off to the side of the sandbox and had crack plastic, there were two plastic blue storage containers that had broken plastic around the rim of both containers, and a broken Nerf gun. S1 made all corrections prior to Specialist departure.
