1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C.: Medication Management Training: Based on record review at approximately 2:00 PM, S1 failed to have at least two staff members trained in medication administration whether the early learning center administers medication or not. S1 is the only staff that has current medication training.

Corrective Action: S1 stated center staff, S2, S3 and S4 will be trained in Medication Administration on 1/30/2020. S1 also stated that she will also ensure that Medication Administration is on the center's checklist of required training every year.
