---

### 7325-G: Equipment in Good Repair

**Not Met**

7325-G: All play equipment and equipment necessary for the operation of the center shall be maintained in good repair.

**Finding:**

7325-G Based on observations: The provider did not maintain play equipment and equipment necessary for the operation of the center in good repair.

Findings Include:

\*On today specialist observed on the front playground a white 5 gallon bucket that is cracked and missing pieces of plastic on the bottom.

\*On the large back playground specialist observed these broken toys: 1 tonka truck with broken/cracked tires and 1 tonka truck with a broken cab window ; a broken plastic little tikes chair

\*Also on the large back playground specialist observed that the gate latch is broken and will not stay securely closed when the gate is closed.

Specialist was able to push the gate open freely with the latch never catching and staying closed.
