

Statement of Deficiencies

1911.E.: Daily Reports for Infants

Not Met

1911.E.: Daily Reports for Infants. Written reports that include the liquid intake, food intake, disposition, bowel movements and eating and sleeping patterns shall be given to the parents of infants on a daily basis. Reports shall be kept current throughout the day.

Finding:

911-E Based on record review on 01/30/2019, there failed to be written reports to include the liquid intake, food intake, disposition, bowel moments and eating and sleeping patterns for 4 of 4 infants. S2 stated she usually completes the daily infant reports in the afternoon.
