

Statement of Deficiencies

1723.A.&B.: CPR Certification - Infant/Child

Not Met

1723.A.&B.: A. Infant and child CPR. All staff members on the premises of a center and accessible to children shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. All staff members on the premises of a center and accessible to children shall have current certification in adult CPR through training approved by the department.

CPR Certification

Finding:

1723.A. Based on record review at 3:10 p.m., S1 failed to have documentation that all staff on the premises and accessible to the children have current certification in infant and child CPR through training approved by the department. S8 stated S1 forgot to schedule S6's training. S8 scheduled S6's training for 2/4/2023.

Corrective Action Plan: Effective 1/30/2023, S8 stated he will have S1 set a reminder 90 days prior to training expirations, and within 30 days of hire to ensure all staff have current training certification, and to ensure compliance with the regulation.

1723.C: Pediatric First Aid

Not Met

1723.C: C. All staff members on the premises of a center and accessible to children shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C. Based on record review at 3:10 p.m., S1 failed to have documentation that all staff on the premises and accessible to the children have current certification in pediatric first aid through training approved by the department. S8 stated S1 forgot to schedule S6's training. S8 scheduled S6's training for 2/4/2023.

Corrective Action Plan: Effective 1/30/2023, S8 stated he will have S1 set a reminder 90 days prior to training expirations, and within 30 days of hire to ensure all staff have current training certification, and to ensure compliance with the regulation.
