

## Statement of Deficiencies

### 1719-A.-B.: Orientation Training

Not Met

1719-A.-B.: Within seven calendar days of date of hire, and prior to assuming sole responsibility for any children, each staff member shall receive orientation to the policies and practices of the center that at a minimum shall include:

1. child abuse identification and reporting;
2. emergency preparation;
3. licensing regulations; and
4. safe sleep practices,

Within 30 calendar days of date of hire, each staff member shall receive orientation to the additional policies and practices of the center that at a minimum shall include:

1. child development;
2. child guidance;
3. learning activities;
4. health and safety;
5. shaken baby prevention;

#### Finding:

1719-A.-B. Based on record review: 1719-A.-B.: Within seven calendar days of date of hire, and prior to assuming sole responsibility for any children, each staff member shall receive orientation to the policies and practices of the center that at a minimum shall include:

1. child abuse identification and reporting;
2. emergency preparation;
3. licensing regulations; and
4. safe sleep practices,

Within 30 calendar days of date of hire, each staff member shall receive orientation to the additional policies and practices of the center that at a minimum shall include:

1. child development;
2. child guidance;
3. learning activities;
4. health and safety;
5. shaken baby prevention;

Specialist discovered the staff file of S5 did not contain the Orientation Training form and the staff files of S6 and S8 did not have the employee signatures indicating completion of training. Specialist brought it to the attention of S1. S1 corrected the the issues before specialist left the premise.

### 1901-J.&K.: Items That Can be Harmful to Children

Not Met

1901-J.&K.: Items that can be harmful to children, such as medications, poisons, cleaning supplies and chemicals, and equipment, tools, knives and other potentially dangerous utensils, shall kept in a locked cabinet or other secure place that ensures they are inaccessible to children. Plastic bags, when not in use, regardless of purpose or use, shall be made inaccessible to children.

#### Finding:

Based on Observations: 1901-J.&K.: Items that can be harmful to children, such as medications, poisons, cleaning supplies and chemicals, and equipment, tools, knives and other potentially dangerous utensils, shall kept in a locked cabinet or other secure place that ensures they are inaccessible to children. Specialist observed bleach spray bottle, screwdriver, and disinfectant wipes accessible to children in the 1-2 year old classroom. Specialist brought it to the attention of S1. S1 placed the items in a locked cabinet inaccessible to children before Specialist left the premise.

### 1901-P: Staff Personal Belongings

Not Met

1901-P: The personal belongings of center staff members shall be inaccessible to children.

#### Finding:

1901-P Based on observations: The personal belongings of center staff members shall be inaccessible to children. Specialist observed S4 had a purse with personal belongings accessible to children. Specialist informed S4 and S1 of the regulation. S4 placed the purse in a locked cabinet inaccessible to children before Specialist left the premise.
