

Statement of Deficiencies

1713-A&B&C: Supervision

Not Met

1713-A&B&C: A: Children shall be supervised at all times in the center, on the playground, on field trips, on non-vehicular excursions, and during all water activities and water play activities.

B: Children shall not be left alone in any room, (except the restroom as indicated in Subsection G of this Section or when being provided services by therapeutic professionals, as defined in 103), outdoors, or in vehicles, even momentarily, without staff present.

C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

Finding:

1713 A&B&C, Based on observations: Children were not under supervision at all times as S4 was observed walking into a nearby classroom to retrieve an item and place an item in the nearby classroom, leaving her class alone. The children were not in S4's line of view the entire time

1907-E.2: Cribs Free of Toys and Other Soft or Loose Bedding

Not Met

1907-E.2: Cribs shall be free of toys and other soft or loose bedding, including comforters, blankets, sheets, bumper pads, pillows, stuffed animals and wedges when the child is in the crib.

Finding:

1907-E.2 Based on observations: The center's cribs were not free of toys or other soft or loose bedding including comforters and blankets while the child was in the crib as evidenced by two infants laying in the crib with loose bedding around them.

1911-K: Hand Washing

Not Met

1911-K: Staff and children shall wash their hands using soap at least at the following times: upon arrival at the center, before preparing or serving meals, before giving medication, after playing in water used by more than one person, after toileting, after helping a child use a toilet or changing diapers, after wiping noses or cleaning wounds, after handling pets and other animals, after playing in sandboxes, before eating meals or snacks, upon coming in from outdoors, after cleaning or handling garbage and anytime hands become soiled with body fluids, such as urine, saliva, blood or nasal discharge.

Finding:

1911-K Based on observations: Center staff failed to have children wash their hands with soap prior to eating lunch as the children were only observed wiping their hands with a wet one.
