

## **Statement of Deficiencies**

### **1725.A.-C.: Medication Management Training**

**Not Met**

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

#### **Finding:**

1725.A.-C. Based on record review and interview: On 02/05/2020 at 2:30pm, S1 failed to have at least two staff members trained in medication administration whether the center administer medication or not. The last training for S1 was dated for 1/29/2018.

Correction Action Plan: S1 stated she will take a medication administration training on 03/20/2020.
