

## **Statement of Deficiencies**

### **1919.A.&B.: Food Service and Nutrition - Menu**

**Not Met**

1919.A.&B.: A. All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U. S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP), 7 CFR 226.20, and LAC 51:XXIII.

B. The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain posted throughout the week; and
3. have substitutions or additions posted on or near the menu.

#### **Finding:**

1919.B.2. Based on record review/observations: At approximately 1:33pm, S1 failed to have menu substitutions or additions posted on or near the menus on 2/5/20. S1 stated S4 served the following for lunch on 2/5/20: Chicken Nuggets, French Fries, Pineapple Tidbits, and Milk. However, the posted menu in the food preparation area showed the following was served: Spaghetti, Meat Sauce, Whole Wheat Bread, Sweet Peas, Oranges in a Can, and Milk.

Corrective Action Plan: S1 stated she will remind S4 to update the menu as soon as possible, but before serving the first plate of food.
