#### **Finding:**

1911.I.&J. Based on record review/interviews, S10 failed to adhere to the center's proper techniques for lifting children. On 1/28/2020 at approximately 8:01am, S10 used her left arm to grab C1's right arm in an upward motion, C1 stumbled, causing C1 to fall to the floor and an injury to C1's right elbow. S1 stated S10 was sent home upon review of the center's video footage, and has not returned pending the completion of the investigation.

Corrective Action Plan: S1 stated S6 spoke to all staff on 1/28/2020 to remind them not to pick children up by one arm or both arms. Children must be picked up under both arms. All staff will receive additional training from Agenda For Children on 1/17/2020 for "Recognizing and Responding to Child Abuse & Neglect."
