

## Statement of Deficiencies

### 1725.A.-C.: Medication Management Training

**Not Met**

- 1725.A.-C.: A. All staff members who administer medication shall have medication administration training.
- B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.
- C. Such training shall be completed every two years with an approved child care health consultant.

#### Finding:

1725.A.-C. Based on record review: The provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. 0 of 5 staff present did not have medication administration training.

### 1907-B.1.-4.: Eating Practices

**Not Met**

- 1907-B.1.-4.: 1. Developmentally appropriate seating shall be used.
2. Chairs and tables of suitable size shall be available for each child.
3. Any time feeding tables are used, children's feet must be able to rest comfortably on a foot rest.
4. Feeding tables may also be used for occasional program activities that require a table surface for no longer than 30 minutes in one day in addition to mealtime minutes.

#### Finding:

1907-B.1.-4. Based on observations: Feeding tables were used at mealtimes and children's feet were not able to rest comfortably on a foot rest. Specialist observed 3 one year old children, eating their morning snack seated at a feeding table that did not have a foot rest for the children to comfortably rest their feet on.
