

## ***Statement of Deficiencies***

### **1907.C.1.: Sleeping Arrangements**

**Not Met**

1907.C.1.: Individual and appropriate sleeping arrangements shall be made available for each child age one and older.

#### **Finding:**

1907.C.1 Based on observations at approximately 1:15pm, S1 failed to have appropriate sleeping arrangements provided for children ages one and two. During the licensing visit, Specialist observed 5 children, age 1-year-old and 1 child, age 2-years-old, sleeping in cribs. S1 and S7 stated they thought it was okay for the children to sleep in cribs. Effective 2/9/2021, S7 will remove the cribs from the 1-year-old classroom.

Corrective Action Plan: Effective 2/10/2021, all children over 12 months will sleep on mats provided by the center.
