#### Finding:

1713.A.&B.: Based on interview(s) on 2/09/2021, C1, age 2 but age 1 at the time of the incident, failed to be under supervision at all times on 2/3/2021, at approximately 1:30pm, he was able to climb out of his crib and ended up falling to the floor hitting his head. S6 stepped out of the infant room to go to the restroom, S2 stood in the doorway that separated the toddler and infant room. S2 turned her head for a second then heard C1 crying and saw him on the floor.

Corrective Action Plan: Effective 2/9/2021, S1 stated that supervision will be met at all times in the infant room to avoid being re-cited by having another staff person come into the infant room to complete restroom breaks. S1 also stated, when infants wake up, staff is required to remove infant from the crib immediately.
