1509.A.8.a.&b.: Behavior Management Policy

Each center shall develop and implement a written behavior management policy describing the methods of behavior guidance and management that shall be used at the center.

The behavior management policy shall prohibit children from being subject to any of the following:

- i. physical or corporal punishment which includes but is not limited to yelling, slapping, spanking, yanking, shaking, pinching, exposure to extreme temperatures or other measures producing physical pain, putting anything in the mouth of a child, requiring a child to exercise, or placing a child in an uncomfortable position.
- ii. verbal abuse, which includes but is not limited to using offensive or profane language, telling a child to "shut up", or making derogatory remarks about children or family members of children in the presence of children;
- iii. the threat of a prohibited action even if there is no intent to follow through with the threat;
- iv. being disciplined by another child;
- v. being bullied by another child;
- vi. being deprived of food or beverages;
- vii. being restrained by devices such as high chairs or feeding tables for disciplinary purposes; and
- viii. having active play time withheld for disciplinary purposes, except timeout may be used during active play time for an infraction incurred during the playtime.

Finding:

1509.A.8.a&b: Based on record review and interviews at 12:00 PM: S12 used a prohibited method of discipline as a child was subject to physical punishment. On February 6, 2020 at 10:25 AM, while completing art activities, C1 punched S12 in the face causing S12's glasses to fall to the floor. S12 stated C1 attempted to sun and nearly stepped on her glasses, she she reached for him, scratching the back of his neck in error. Shortly after, C1 cried out that his neck was in pain due to the scratch.
