

Statement of Deficiencies

1901.B.: Lighting

Not Met

1901.B.: Areas used by children shall be lighted in such a way as to allow visual supervision of the children at all times.

Finding:

1901.B. Based on observations on 02/18/19, The areas used by children were not lighted in such a way as to allow visual supervision of the children at all times. During walk -thru with S16, specialist was unable to see the children in two classrooms. Specialist observed that one room (S4's) had 16 (3 year olds) and the other room (S5's) had 17 (3-4 year olds), specialist could not see the children or staff until the light was turned on. S16 placed a night light in each of the rooms.

1901.P.: Staff Personal Belongings

Not Met

1901.P.: The personal belongings of center staff members shall be inaccessible to children.

Finding:

1901.P. Based on observations on 02/18/19, The personal belongings of center staff members S4 and S5 was accessible to children. Both, S4 and S5 had their purses on the desk within reach of the children. S16 instructed the staff to place their purses in an overhead cabinet that was not within reach of the children.
