

## ***Statement of Deficiencies***

### **1915.A.: Health Services - Observation**

**Not Met**

1915.A.: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### **Finding:**

1915.A. Based on record review: There was no documentation that observations of all children were completed daily, when something is observed, noted on children upon arrival to the center. All documentation of daily observations did not include an explanation from parent and/or child documented.
