

## ***Statement of Deficiencies***

### **1725.A.-C.: Medication Management Training**

**Not Met**

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

#### **Finding:**

1725.A.-C. Based on record review at 11:31 am, S1 failed to have at least two staff members trained in medication training. S2 was present on the premises and is the only staff with the training.

Corrective Action Plan: S1 stated that she will be scheduling a medication training class for staff. S1 stated that she will try to schedule with NSU on tomorrow to attend the class scheduled for 3/14/2020.
