

Statement of Deficiencies

7305-F: City Fire Department

Not Met

7305-F: The provider shall have documentation of yearly safety inspection and current approval from the City Fire Department (if applicable).

Finding:

The Provider lacked documentation of a current annual safety inspection and approval from the City Fire Department.

7325-L: Appropriate Sleeping Arrangements

Not Met

7325-L: Individual and appropriate sleeping arrangements shall be provided for each child. Each child shall be provided with a cot, mat, or crib (baby bed) of appropriate size, height, and material, sufficient to ensure his/her health and safety. Each infant shall have a crib separated from all other cribs (non-stackable). Playpens shall not be substituted for cribs.

Finding:

Provider failed to have appropriate sleeping arrangements for each child in care to ensure his/her health and safety as evidenced by the presence and/or use of a recalled crib(s) on the childcare premises. Six of 6 cribs observed by the licensing specialist did not meet the U.S. Consumer Product Safety Commission (CPSC) requirements for full-size cribs as defined in 16 Code of Federal Regulations (CFR) 1219, and/or non full-size cribs as defined in 16 Code of Federal Regulations (CFR) 1220.
