

Statement of Deficiencies

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on record review: The provider did not maintain daily document of observations of each child upon arrival to the center. Also, results including an explanation from parent and/or child were not documented for observations reviewed in the two years old classroom and the three years to four years old classroom.
