

## ***Statement of Deficiencies***

### **1725.A.-C.: Medication Management Training**

**Not Met**

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

#### **Finding:**

1725.A.-C. Based on record review: S17 administered medication to C3 on 09/10/2018, 09/11/2018 and 09/12/2018. S17 did not have documentation of having medication administration training. S1 stated S17 does have the medication administration training, but she does not have documentation at this time.
