

Statement of Deficiencies

1915.A.: Health Services - Observation

Not Met

1915.A.: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915.A. Based on record review on 02/21/19, S1 did not ensure that the results including an explanation from parent and/or child were documented. Based on review of the daily observation dated 02/11/19-02/15/19, observation of scratches and bruises were documented but there was no documentation of an explanation. S1 has added an additional form to her daily health checks form that can be used to document the explanation.
