

## ***Statement of Deficiencies***

### **1915-A: Health Services - Observation**

**Not Met**

1915-A: Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

#### **Finding:**

1915-A: Based on record review: The provider did not document observations, when something is observed, noted on children upon arrival to the center. In February 2017, C2 arrived with a severe diaper rash on his bottom and in the creases of his legs and staff failed to document the observation. On 02/23/2017, C6 came in with a diaper rash and staff also failed to document the incident. Provider also failed to provide written explanations from parent and/or child when documenting observations of illness, infections, bruises, injuries and when something is observed on the children upon arrival at the center.
