

Statement of Deficiencies

1725-A.-D.: Medication Management Training

Not Met

1725-A.-D.: A. All staff members who administer medication shall have medication administration training.

B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.

C. Such training shall be completed every two years with an approved Child Care Health Consultant.

D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review/interview: The provider did not have at least two staff members trained in medication administration whether the early learning center administers medication or not. The Provider (S1) stated that all of the staff will be attending a medication administration class on 3/3/2018.
