1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on interview(s): S6 failed to have at least two staff members trained in medication administration whether the early learning center administers medication or not. S1 stated the center is on the list to receive the training.

1903.C.: Free of Hazards

Not Met

1903.C.: Indoor and outdoor areas shall be free of hazards.

Finding:

1903.C. Based on observations: The outdoor area were not free of hazards as during specialist visit on 2/28/19, specialist observed 3 wooden boards, the same boards specialist observed during visit on 12/6/18, on the playground with exposed nails which could cause a child to harm themselves. S6 stated she is in the process of getting the entire deck rebuilt, but her handy guy took sick with pancreatic problems, but he will complete the job as soon as he is feeling better.
