### Finding:

1711.A.&B.&F.&G: Based on observations at approximately 10:04am, S4 failed to meet the required child to staff ratio for children of the following ages: S3 was supervising 6 children ages 6 months to 1 year old. The required ratio for children under 1 year is 5 children per 1 staff person. Ratio was met at approximately 10:15am when S5 went into the classroom with S3.

Corrective Action Plan: Effective immediately, S4 stated will make certain the child to staff ratio is met by calling in additional staff as needed or she will go in the classroom to assist.
