

Statement of Deficiencies

1725.A.-C.: Medication Management Training

Not Met

- 1725.A.-C.: A. All staff members who administer medication shall have medication administration training.
- B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.
- C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on record review at 11:52am, S2 failed to have at least two staff members trained in medication administration whether the early learning center administers medication or not.

Corrective Action Plan: S1 stated she has enrolled in the medication administration training on 3/14/2020.

1901.A.1.-3.: Telephones and Emergency Numbers

Not Met

1901.A.1.-3.: Telephones and Emergency Numbers

1. A working phone capable of incoming and outgoing calls shall be readily available at the center at all times. Cellular phones are not acceptable for this purpose.
2. When a center has multiple buildings and a phone is not located in each building where children are present, the center shall establish and follow written procedures for securing emergency help. The written procedures shall be posted in each building.
3. Centers located in schools and churches shall have a phone within the licensed area.

Finding:

1901.A.1.-3. Based on observations/interview(s) at 11:00am, S1 failed to have a functional, readily available telephone capable of incoming and outgoing calls at all times at the center. Cellular phones are not acceptable for this purpose.

Corrective Action Plan: S1 stated she will have a phone in the center by 3/5/2020.
