

Statement of Deficiencies

311.A: Posting of License

Not Met

311.A: Each early learning center shall display its current license in a prominent place at the center.

Finding:

311.A Based on observations: The provider did not have the center's current license displayed in a prominent place at the center. Note: The provider was unable to locate the current license during the licensing inspection.

713.A: Office of Public Health, State Fire, City Fire, Office of Early Childhood approval

Not Met

713.A: Current approvals by the Office of Public Health, Office of State Fire Marshal, City Fire (if applicable), Office of Early Childhood and the Licensing Division shall be required before the expiration of an existing license.

Finding:

713.A Based on record review: The provider did not have documentation of a current approval from City Fire. The last approval expired on 2/20/15.

1503-A-C: General Liability Insurance Policy

Not Met

1503-A-C: A. A center shall maintain in force at all times current commercial liability insurance for the operation of the center to ensure medical coverage for children in the event of accident or injury.

B. A center is responsible for payment of medical expenses of a child injured while in the center's care.

C. Documentation of commercial liability insurance shall consist of the insurance policy or current binder that includes the name of the early learning center, physical address of the center, name of the insurance company, policy number, period of coverage and explanation of the coverage.

Finding:

1503-A-C Based on record review: The provider did not have documentation of current commercial liability insurance for the operation of the center to ensure medical coverage for the children in the event of an accident or injury. The last documented coverage expired on 8/15/15.

1509-A.9: Electronic Devices Policy

Not Met

1509-A.9: Electronic Devices Policy that provides that all activities involving electronic devices, including but not limited to television, movies, games, videos, computers and hand held electronic devices, shall adhere to the following limitations:

a. Electronic device activities for children under age two are prohibited; and

b. Time allowed for electronic device activities for children ages 2 and above shall not exceed 2 hours per day.

Finding:

1509-A.9 Based on observations: The provider did not have a written electronic devices policy.

1509-A.10: Computer Practices Policy

Not Met

1509-A.10: Computer Practices Policy that requires computers that allow internet access by children to be equipped with monitoring or filtering software that limits access by children to inappropriate web sites, e-mail, and instant messaging.

Finding:

1509-A.10 Based on observations: The provider did not have a written computer practice policy.

Statement of Deficiencies

1509-A.11: Programs, Movies and Video Games Policy

Not Met

1509-A.11: Programs, Movies and Video Games Policy

- a. Programs, movies, and video games with violent or adult content, including but not limited to soap operas, television news, and sports programs aimed at audiences other than children, shall not be permitted in the presence of children.
- b. All television, video, DVD, or other programming shall be suitable for the youngest child present.
- c. "PG" programming or its television equivalent shall not be shown to children under age 5.
- d. "PG" programming shall only be viewed by children age 5 and above and shall require written parental authorization.
- e. Any programming with a rating more restrictive than "PG" is prohibited.
- f. All video games shall be suitable for the youngest child with access to the games.
 - i. "E10+" rated games shall be permitted for children ages 10 years and older.
 - ii. "T" and "M" rated games are prohibited.

Finding:

1509-A.11 Based on observations: The provider did not have a written programs and movies policy.

1715-A.5: State Central Registry

Not Met

1715-A.5: Personnel files for each staff member shall be maintained at the center and shall include the following: documentation of a current, completed state central registry disclosure form indicating no justified (valid) finding of abuse or neglect by the DCFS, or a current determination from the DCFS indicating that the individual does not pose a risk to children.

Finding:

1715-A.5 Based on record review: The provider did not have documentation of a current, completed state central registry disclosure form for 5 of 8 staff, S3, S4, S5, S7 and S8. SCR forms were corrected by all staff except S8 who was not present during the licensing inspection.

1725-A.-D.: Medication Management Training

Not Met

- A. All staff members who administer medication shall have medication administration training.
- B. Whether administering medication or not, each early learning center shall have at least two staff members trained in medication administration.
- C. Such training shall be completed every two years with an approved Child Care Health Consultant.
- D. A licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

Finding:

1725-A.-D. Based on record review: The provider did not have documentation of at least two staff members trained in medication administration whether administering medication or not.

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.

Finding:

1921-A Based on record review: The provider did not include the following in the center's emergency and evacuation plan: a system to account for all children, a system and a back-up system for contacting parents and authorized third party release caretakers and a system to reunite children and parents following an emergency.
