

Statement of Deficiencies

1903-E.5: Outdoor - Enclosed

Not Met

1903-E.5: Outdoor play space shall be enclosed with a permanent fence or other permanent barrier in a manner that protects children from traffic hazards, prevents children from leaving the premises without proper supervision, and prevents contact with animals or unauthorized persons.

Finding:

1903-E.5 Based on observations: The fence that encloses the outdoor play space was missing one board in the fence which would allow a child to leave the premises without proper supervision. Corrected during the licensing inspection as the director replaced the board in the fence.
