

## ***Statement of Deficiencies***

### **1903.C.: Free of Hazards**

**Not Met**

1903.C.: Indoor and outdoor areas shall be free of hazards.

#### **Finding:**

1903.C. Based on observations at 10:10AM, the outdoor area failed to be free of hazards as evidenced by specialist observed 2 of 5 cozy coupes that have missing steering wheels. There was a water hoses lying on the ground and a stick with two nails sticking out of it leaning against the wall. S1 moved all of the items off the playground the while specialist was present. There were no children observed on the playground during the walk through.

Corrective Action Plan: Effective 03/10/2020, S1 stated she will have staff conduct a walk through of the playground each day before the children are allowed outside.
