1509-A.7: Parental Involvement Policy

Parents shall be offered a minimum of two opportunities for involvement each year, which may include but are not limited to, an open house, parent education session, parent and staff conference, family pot luck dinner, holiday party or parent or grandparent's day.

Finding:

1509-A.7 Based on record review: S1 did not have a policy offering parents a minimum of two opportunities for involvement each year, which may include but are not limited to, an open house, parent education session, parent and staff conference, family pot luck dinner, holiday party or parent or grandparent's day.

1901-G.&H.: Equipment

Not Met

1901-G.&H.: All equipment used by children shall be maintained in a clean and safe condition and in good repair. Moveable equipment shall be secured and supported so that it shall not fall or tip over.

Finding:

1901-G.&H Based on observations: All of the center equipment used by children was not maintained in good repair as four tricycles on the play yard were observed missing the rubber handles on the handle bars. Corrected as S1 removed the four tricycles from the play yard.

1915-A: Health Services - Observation

Not Met

1915-A: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915-A Based on record review: The staff at the center are not documenting an explanation from parent and/or child when an observation of an injury, illness, etc is observed on a child.

Statement of Deficiencies

1921-A: Emergency Preparedness and Evacuation Planning

Not Met

1921-A: Emergency and Evacuation Plan. The director shall consult with appropriate state and local authorities and shall establish and follow a written multi-hazard emergency and evacuation plan to protect children in the event of emergencies that at a minimum shall:

1. address any potential disaster related to the area in which the center is located;
2. include procedures for sheltering in place, lockdown and evacuation to a pre-determined site for potential threats to the safety, health and well-being of children in care;
3. include specific procedures for handling infants through two year olds;
4. include specific procedures for handling children with special needs, including the evacuation and transportation of children in wheelchairs;
5. include a system to account for all children;
6. include a system, and a back-up system, for contacting parents and authorized third party release caretakers;
7. include a system to reunite children and parents following an emergency;
8. include procedures for providing information about the emergency plan to parents at the time of enrollment and when changes occur;
9. be reviewed annually for accuracy and updated as changes occur; and
10. be reviewed with all staff at least once per year.
11. practice drills shall be conducted at least twice per year to include all children and shall be documented.

Finding:

1921-A Based on record review: The emergency plan at the center did not contain the following information: specific procedures for handling infants to two years old, a system to account for all children, a system and back-up system for contacting parents and authorized third party release caretakers, a system to reunite children and parents following any emergency and documentation that the plan was reviewed with all staff at least once per year.
