1901-M: Strings and Cords

Not Met

1901-M: Strings and cords, including but not limited to those found on equipment, window coverings, televisions and radios, shall be inaccessible to children under age 4.

Finding:

1901-M Based on observations: Strings and cords were accessible to children under age 4 on 3/13/17 during inspection as evidenced by the Specialist observing strings, cords and a surge protector coming from the side of the classroom's computer desk in building #2; S5 & S6 room.

1901-P: Staff Personal Belongings

Not Met

1901-P: The personal belongings of center staff members shall be inaccessible to children.

Finding:

1901-P Based on observations: The personal belongings of center staff member; S7; was accessible to children. On 3/13/17 during inspection the Specialist noticed a purse on a shelf in the classroom of S7 and S8. S7 removed the bag when she was informed of the hazard.

1903-E.5: Outdoor - Enclosed

Not Met

1903-E.5: Outdoor play space shall be enclosed with a permanent fence or other permanent barrier in a manner that protects children from traffic hazards, prevents children from leaving the premises without proper supervision, and prevents contact with animals or unauthorized persons.

Finding:

1903-E.5 Based on observations: On 3/13/17 during inspection the Specialist observed that Outdoor play space lacked enclosure with a permanent fence or other permanent barrier in a manner that prevents children from leaving the premises without proper supervision, and prevents contact with animals or unauthorized persons. The gray metal double fence has a black handle at the top of the fence which has malfunctioned and prevents the fence from being closed properly. Upon the Specialist arrival the fence was open and lacked the ability to properly enclose the play yard and prevent children from leaving the premises.
