

Statement of Deficiencies

1723.A.&B.: CPR Certification

Not Met

1723.A.&B.: A. Infant and child CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in infant and child CPR through training approved by the department.

B. Adult CPR. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in adult CPR through training approved by the department.

Finding:

1723.A.&B.: Based on record review/interviews at 10am, S1 did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in infant and child CPR through training approved by the department. 1 of 3 staff had documentation of this certification. S1 stated that S2 has a CPR class scheduled for 3/28/2020.

Corrective Action Plan: Effective 3/13/2020, S1, the director, stated that she will schedule all staff's CPR training at least six months prior to their expiration date to ensure that everyone is certified at all times.

1723.C.: Pediatric First Aid

Not Met

1723.C.: Pediatric First Aid. Fifty percent of staff members on the premises of a center and accessible to children, or at least four staff on the premises and accessible to children, whichever is less, shall have current certification in pediatric first aid through training approved by the department.

Finding:

1723.C.: Based on record review/interviews at 10am, S1 did not have documentation that at least fifty percent (50%) of all staff on the premises and accessible to the children or at least four staff on the premises and accessible to children, whichever is less, have current certification in Pediatric First Aid through training approved by the department. 1 of 3 staff had documentation of this certification. S1 stated that S2 has a Pediatric First Aid class scheduled for 3/28/2020.

Corrective Action Plan: Effective 3/13/2020, S1, the director, stated that she will schedule all staff's Pediatric First Aid training at least six months prior to their expiration date to ensure that everyone is certified at all times.
