### **1501-A: Operations**

**Not Met**

1501-A: A center shall operate within the licensed capacity, age range, hours of operation and other specific services designated on its license.

#### **Finding:**

1501-A Based on observations: The Director did not notify the Licensing Division prior to making changes that had an effect on the license as the provider is no longer utilizing indoor space that was previously approved by the Licensing Division. The provider turned one large classroom into 3 separate classrooms and a hallway without written notification to Licensing through CAFE.
