

## Statement of Deficiencies

### 1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

#### Finding:

1725.A.-C. Based on interviews on 03/14/2019, the center did not have at least two staff members trained in medication administration whether the early learning center administers medication or not.

### 1903.C.: Free of Hazards

Not Met

1903.C.: Indoor and outdoor areas shall be free of hazards.

#### Finding:

1903.C. Based on observations on 03/14/2019, the outdoor area were not free of hazards as evidenced by specialist observed the following:

- a purple bicycle with a torn seat and the cushion is exposed.
- 3 of the bicycle on the merry go round was missing petals.
- large swing has 2 of 3 seats that are broken.

S1 removed the broken swings, repaired the bicycle and put the petals back on the bicycle merry go round.
