C: A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.

#### **Finding:**

**\*\* NEW \*\*** 1713 A&B Based on observation: Children were not under supervision at all times.

- Upon specialist and S1 walking throughout the center's upstairs classrooms to count the children that were outside during the initial taking of the census, S2 stated she had 10 children, but only nine were in sight and able to be counted by Specialist, S1 and S2. S2 then began looking for C1. C1 was found in the "TV room" across the hall alone. S2 brought C1 back into the classroom with the other nine children.
