

Statement of Deficiencies

1919.A.&B.: Food Service and Nutrition - Menu

Not Met

1919.A.&B.: A. All meals and snacks provided by the center, and their preparation, service and storage, shall meet the requirements for meals of the U. S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP), 7 CFR 226.20, and LAC 51:XXIII.

B. The weekly menu shall:

1. be planned for each day of the week and list the specific food items served;
2. be prominently posted by the first day of each week and remain posted throughout the week; and
3. have substitutions or additions posted on or near the menu.

Finding:

1919.B.3. Based on record review/observations: S1's lunch menu substitutions were not posted on or near the menu. On 3/18/2019, the Specialist observed a posted lunch menu in the food preparation area and on the bulletin board near the entrance that lists the following items for 3/19/2019: Red Beans, Cornbread, Peaches, Yams, and Milk. However, the Specialist observed S1 serve Butter Beans with Ham, Whole Wheat Rice, Yams, Sliced Apples, and Milk. S1 stated they needed to change the menu last minute. Corrected at time of Licensing visit.
