1725.A.-C.: Medication Management Training

Not Met

1725.A.-C.: A. All staff members who administer medication shall have medication administration training.

B. Whether the center is administering medication or not, each early learning center shall have at least two staff members trained in medication administration and at least one on the premises. A staff member who is a licensed practical nurse (LPN) or registered nurse (RN) with a valid nursing license shall be considered to have medication administration training.

C. Such training shall be completed every two years with an approved child care health consultant.

Finding:

1725.A.-C. Based on record review:

Staff trained in administering medication, S1, S2, S3, S5, S8 and S9, did not have current documentation of training in medication administration completed with an approved Child Care Health Consultant. Training is required every two years and the staff's training expired April 2018. The Director said she would schedule a class as soon as possible.
