

Statement of Deficiencies

1915.A.: Health Services - Observation

Not Met

1915.A.: Observation. Upon arrival at the center, the physical condition of each child shall be observed for possible signs of illness, infections, bruises or injuries, and when something is observed, it shall be documented and such documentation shall include an explanation from the parent or child.

Finding:

1915.A. Based on record review: Results including an explanation from parent and/or child were not documented. Specialists reviewed daily observation reports from January 2019, February 2019, and March 2019 in which there were observations documented, however, there was no explanation from parent or child documented on the center's daily observation logs.
